Offers the home or small office the convenience of on-site copying at a very affordable price. It's lightweight and portable with built-in carry handle so it can go where you go or easily store when not in use. Features include instant warm-up, 4 copies per minute copying, 50-sheet paper capacity and easy to maintain all-in-one toner cartridge.

Affordable and Convenient Copying

- Convenience of on-site copying.
- Complete portability with its built-in carry handle.
- Compact, but stylish, with translucent fold away paper trays.
- Easy to store.

The Ideal Personal Copier with No Warm-up Time

- Quiet and efficient producing 4 copies per minute.
- With no warm -up time you can start copying immediately.
- Automatic switch off after five minutes, when not in use.
- Simple to use and ready when you are.

Crisp, Clear Quality Copies

- The automatic and manual exposure controls give you excellent results whether you are copying photographs, newspapers, magazines, or other documents.
- The FC 290 is built with Canon's revolutionary RAPID Fusing SystemT, resulting in high quality copies.
- 50 sheet paper feed tray saving you time

No Maintenance, Easy to Replace All-In-One Cartridge

- All-in-one E-31 toner cartridge contains the toner, drum and cleaner unit resulting in virtually maintenance free copying with no fuss or mess, providing you with around 4,000 copies.¹
- For exceptional value for money, a Black Starter Cartridge E-16 is included in the box providing you with around 2,000 copies.*

Additional Features

- Book copying using the flexibly hinged lid which allows easy copying of books and other thick documents or objects weighing up to 2kg.
- Copies on a variety of media and sizes, including labels, transparencies and heavy paper up to 128 gsm.

* Based on 5% toner coverage on A4 size
