OVER 10 MILLION PERSONAL COPIERS SOLD

Thanks to their excellent copy quality and ease of use - just plug in and enjoy effortless copying - Canon personal copiers are by far the most popular choice. Now the FC100 and FC120 bring you efficient and affordable copying, whether for office or personal use.

CONVENIENT ALL-IN-ONE CARTRIDGE

You can rely on consistently clean, clear and sharp copies. Canon's unique All-in-One cartridge includes the core copying elements (toner, drum, cleaner unit) making your copier virtually maintenance-free. Simply switch cartridges - without any mess - and your copier is almost as good as new.

All-in-One cartridge

NO WARM-UP TIME, AUTO SWITCH-OFF

There's no warm-up time, so no waiting for copies. Plus, when you're not using your copier, auto switch-off reduces power consumption and saves you money.

TIME-SAVING FC120

With the FC120, you benefit from convenient features such as a 50-sheet bypass which handles all your copying needs smoothly - at 4 A4 copies per minute. Whilst Automatic Exposure always ensures a perfect finish for both fine text and graphics.

COPIES ON OHP, COLOURED PAPER AND POSTCARDS

Both models copy on OHP film, coloured paper, postcard sizes and, of course, plain paper. While four optional colour cartridges - in blue, brown, green or red - add a touch of eye-catching colour to your work.

STYLISH, COMPACT DESIGN

These copiers are stylish in any surroundings, and are suitable for the smallest desk. A convenient carrying handle also ensures easy portability.
