LBP3200 Specifications

Model	Laser Shot LBP3200
Printing speed	18ppm (A4)
Printing method	Electrophotographic printing using laser beam printing
Fixing method	On-Demand fixing
Resolution	600 x 600 dpi
Warm-up time	0 seconds (less than 8 seconds when the printer is turned on)
First print	10 seconds or less (Face-up), 9 seconds or less (Face-down)
Toner cartridge	EP-27 CRG, 2,500 pages at 5% coverage in normal mode (A4 size)
Toner Saving Mode	Yes
Print volume	10,000 monthly
Paper Input (standard)	250 sheet cassette
Paper input (Option)	No
Manual loading	1 sheet
Paper output	Face down: 100 sheets, Face up: 1 sheet
Paper size	A4, B5, A5, LTR, Executive, Envelope C5/COM10/DL, Monarch, Custom Paper (width 76.2-215.9mm, length 127.0-355.6mm) for Manual Feed only
Duplex printing	No
Power requirement	220-240V (±10%) 50/60Hz (±2Hz)
Power consumption	approx. 360W (Average during operation) approx. 7W (Average during standby)
Noise level	Background noise level(during standby) 55db[A] or less(during print)
Dimensions	367 (W) mm x 376.3 (D) mm x 245(H) mm
Weight (without cartridge)	Approx. 6.1kg
Cartridge weight	Approx. 0.7kg
Operating environment	Temperature: 7.5 to 32.5 oC (45.5 to 90.5F) Humidity 5 to 90%RH (no condensation)
Storage environment	Temperature: 0 to 35 oC (32 to 95F) Humidity 35 to 85%RH (no condensation)
Energy Star Compliant	Yes

Controller hardware spec

Smoothing technology	AIR (Automatic Image Refinement) 2400 x 600 dpi equivalent
RAM (Standard)	2MB
RAM (Optional)	no additional memory required
Interface (Standard)	USB Full-Speed (USB1.1 equivalent)
Memory Technology	SCoA (Smart Compression Architecture)
Hardisk (Optional)	No

Controller software spec

PDL (Standard)	CAPT (Canon Advanced Printing Technology)
PDL (Optional)	No
Supported PC OS	Windows 98/Me/2000/XP
Mac Compatible	No

Automatic Image Refinement

FAST, RIGHT FROM THE START

Your LBP3200 produces the documents you need fast, at a printing speed of 18 pages per minute. And there's no waiting around at the start, as the first print out time takes less than 10 seconds.

TIME-SAVING TECHNOLOGY

To make your life simple, the printer uses CAPT (Canon Advanced Printing Technology) and SCoA (Smart Compression Architecture). Advantages include easy control of all printer settings on your PC and a friendly 'sound assist' function. The software also reduces the need for printer memory and lets you print even complex files quickly.

PROFESSIONAL QUALITY PRINTS

Improve your image with professional laser quality output. A high 600 x 600 dpi print resolution is enhanced right up to the equivalent of 2400 x 600 dpi using Canon's Automatic Image Refinement (AIR) smoothing technology. Giving clear, sharp prints for text and graphics.

CONVENIENT ALL-IN-ONE CARTRIDGE

Simply replace Canon's unique All-in-One cartridge, containing toner and all essential parts, and your printer is as good as new. There is no mess, no maintenance worries. The cartridge can print up to 2,500 A4 pages (at 5% coverage in normal mode) - and with Canon's special toner saving mode this output is substantially increased, saving you more money.

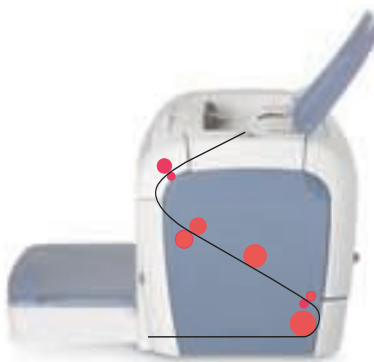

cartridge EP-27

FLEXIBLE PAPER HANDLING

However busy you are, a 250-sheet paper cassette handles all your high volume work easily. Plus you can print on a wide range of paper formats.

SMART, SPACE-SAVING DESIGN

This quiet, stylish and compact printer fits easily on any desk or workstation. The Z-shaped paper path saves even more space. The printer is Windows compatible, with USB connectivity.
