

PagePro™ 1300W

Print System

KONICA MINOLTA

Professional business documents at your fingertips

Considering the quality and value the PagePro 1300W offers, it is easy to understand why Konica Minolta is established as one of the leading manufacturers of printers and photocopiers in the world today.

The PagePro 1300W offers more than just an attractively low purchase price. High capacity toner cartridges (requiring infrequent replacement) and plain paper printing, make owning a PagePro 1300W a good investment for everyday use.

The stylish PagePro 1300W personal laser printer is a simple to use, low cost, reliable printing solution for users needing to print a multitude of professional business documents efficiently.

Warranty Period and Conditions

3 year exchange, covering the Drum

(Only available in Australia, Hong Kong, Indonesia, Malaysia, New Zealand, Singapore, Thailand and Vietnam)

1 The stated life expectancy of each consumable in your printer is based on printing under specific operating conditions such as page coverage for a particular page size (5% coverage of letter/A4). The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity. Refer to user documentation for more details.

2 The stated warranty does not affect your statutory rights.™

Supplies
